JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 5 December 1967

STAT 1. [redacted] Met with Mr. Charles Johnson, Staff Director, House Post Office and Civil Service Committee, and reviewed with him the postal rate pay bill conference. The conference will continue at least through tomorrow. Although Mr. Johnson is not hopeful that Chairman Henderson will be able to meet with Agency representatives during the week, he is in accord with the merits of having such a meeting as soon as possible and will raise the question again with Chairman Henderson the first thing in the morning.

STAT 2. [redacted] Met with Mrs. Carolyn Bason, Assistant to Senator Sam Ervin (D., N. Car.), and at her request arranged for a personnel interview for [redacted] for Friday at 11:00 a.m. STAT

STAT 3. [redacted] In response to her telephone call, met with Mrs. Pat Shore, Assistant to Senator Sam Ervin, concerning the employment turndown of [redacted] STAT
STAT [redacted] on 31 July. [redacted] is under the impression that STAT
he was given special tests and Mrs. Shore's prime inquiry is whether he had taken any civil service entrance exams. I advised that no civil service exams would have been taken at our request but that I would check the question of special testing and talk to her again tomorrow. It does not appear from this limited conversation with Mrs. Shore that any complaint is involved, but probably only a desire on the part of the Senator's office to assist this individual in finding Federal employment.
